Contact: 9710437419, Admin: 044 - 42691289

Concession Available for Students and Research scholars

<i>S.No</i>	<i>Study/ Activity/ Parameter</i>
1.	Zebra Fish Assay- Embryo Toxicity/ Hepatoprotective activity/ Neuroprotective and cardioprotective activity
2.	Brine shrimp lethality assay
3.	Qualitative and quantitative Phytochemical Analysis
4.	TLC and HPTLC
5.	Blood – Hematology and Serum Analysis
6.	Histopathology Analysis and Interpretation Services
7.	GCMS Analysis and FT-IR Analysis
8.	Heavy Metal Analysis- (Lead, Arsenic, Cadmium, Mercury)
9.	Anti-Oxidant Assay- (DPPH/NO/ABTS/Hydrogen Peroxide)
10.	Anti- Microbial Assay / Sterility Studies (Anti - Bacteria and Anti- Fungal)
11.	Physicochemical Analysis of Siddha and Ayurveda drugs
12.	Histopathology Analysis and Immunohistochemical studies
13.	In-vitro Anti- Diabetic Activity and Anti-Cancer study
14.	In-vitro carminative activity
15.	In-vitro Anti-inflammatory assay
16.	In-vitro Anti-Cataract activity
17.	Anti- angiogenesis Activity
18.	In-vitro Acetylcholine esterase enzyme inhibition assay
19.	In-vitro lithotriptic activity- (Crystal Growth inhibition assay)
20.	In-vitro Anti helminthic Activity
21.	Powder XRD , SEM, DSC analysis
22.	Drug Standardization- Organoleptic and Microscopic Analysis Herbal Drug Fluorescence Analysis
23.	Gene Expression studies - PCR
24.	Docking Study (In-silico Computer Aided Drug Design)

Services offered: Standardization and Characterization of AYUSH formulations
In-vitro and In-silico Evaluations/ Instrumental analysis/Histopathological Analysis
Blood & Serum Estimations
Thesis Writing/ Research Article Preparation and Publication Services

E-mail: nobleresearchsolutions@gmail.com

Contact: 9710437419, Admin: 044 - 42691289

List of Research Services Offered

- *Extraction, isolation & characterization of natural products*
- *Siddha and Ayurveda Drug Standardization and Analysis*
- *In-vitro Antioxidant Assay*
- *In-vitro Anti- Cancer Activity*
- *In-vitro Microbial Assay*
- *In-vitro Anti diabetic Assay*
- *Lithotriptic Activity- In-vitro crystal growth assay (Anti-urolithiatic activity)*
- *Anthelmintic Activity*
- *In-vitro Carminative Assay*
- *In-vitro Acetylcholinesterase enzyme Inhibition Assay*
- *Blood Biochemistry*
- *Serum Analysis*
- *Cell Line Studies*
- *In-vivo Drug testing on Zebra Fish model*
- *Development of Herbal drug monograph*
- *Standardization and Characterization of herbs and polyherbal preparation*
- *Anti- Microbial studies*
- *Sterility testing*
- *Total Bacterial and Fungal Count*
- *Chromatographic Analysis (TLC/HPTLC/GCMS/ICPMS/IR)*
- *Thesis Writing*
- *Research Article Preparation and Publication*
- *Plagiarism content correction*
- *Histopathology Analysis and Interpretation Services*

*Yours Sincerely
Noble Team*
